

Can you make the home page banner the same size as this banner with one small ad space on both sides of the banner instead of both on the right.

**Take united States #1 Classifieds site with you**  
Buy and sell new or used items wherever you go!

Download on the App Store | GET IT ON Google Play

Three smartphones displaying the classifieds app interface. The left phone shows a sidebar menu with options like Home, Profile, Advanced Search, Messages, My Ads, Favorite Ads, and Recent Ads. The middle phone shows a detailed listing for a house for sale. The right phone shows a grid of various items for sale, including a car, a house, and a pet.
